

## Pack 13 Poinsettia Sale 2009

Parents –

It's time for the (hopefully) only fundraiser the Pack will do this year!

Here are the details:

Cubs can begin taking orders for poinsettias right away using the attached order form. **Orders and money must be turned in by Monday, November 16th.** Checks should be made out to Cub Scout Pack 13. Late orders with money can be given to Mrs. Malson by the following Sunday, November 22<sup>nd</sup>, if you can call her at 887-7441 and arrange delivery to her.

Absolutely no orders can be accepted that are not accompanied by payment!

Poinsettias will be delivered to TCOTC on Saturday, December 5<sup>th</sup>; please pick them no earlier than 10:30 AM and no later than noon. Each cub is responsible for picking up his customers' poinsettias and arranging their delivery.

Poinsettias can be ordered in red, white, or pink, in 4", 6 ½", or 8" pots. The pots come attractively wrapped in foil or plastic, and the blooms will be wrapped and protected until delivery.

We like for each cub to try to sell at least \$100 worth of poinsettias. Prizes will be given to the top sellers!

These are very nice poinsettias -- we took a chance last year and changed our supplier and it turned out very well. We've been able to make them last until early March by watering them only about once a week (when the soil is almost dry to the touch) with lukewarm water. Legends have been told of poinsettias lasting until the following Christmas.
